The Vision

Word of Life Germany is committed to reaching youth with the Gospel of Jesus Christ and helping them establish and grow in their relationship to God.

Since the fall of the Berlin Wall and ultimately the Iron Curtain, WOL Germany has been searching for an additional site and location suitable for family camps, conferences, seminars and youth activities. This will be the location of the Discipleship Training Center (DTC), known in Germany as the Ezra Training Program.

A second center near Berlin

In the spring of 2007 WOL Germany was able to purchase a 3.5 acre lake-front property with a boat dock, a seminar hotel with 30 furnished double rooms, 11 furnished apartments and other buildings on the northern shore of Lake Koeris for 1.3 million dollars. The facility is complete with two large classrooms as well as a dining hall with a fully equipped kitchen. We have been in possession of the facility since July 1, 2007 and began the Discipleship Training Center in October 2007.
